In Support of Hamlett

Dear Editor:

Liz Y. Hamlett is the most-qualified candidate for Lunenburg County Commissioner of the Revenue. In 2009 she was hired by Commissioner Pat Adams as a deputy commissioner. When Mrs. Adams retired in 2013, Liz was appointed to the position of Commissioner until a special election was held in 2014. We, the voters of Lunenburg, elected Liz to serve the unexpired term of Mrs. Adams. We elected her again in 2015 for a full term to serve the citizens and taxpayers of this county. She has served us well for over 10 years.

She also continues to be an active, productive and respected member of her church and this community. Liz is active in the Virginia Commissioner's Association. She is recognized and respected for her work as an officer in that organization. Her hard work and commitment has earned her Master Commissioner status at the Weldon-Cooper Center of Continuing Education at UVA.

Being the tax commissioner is not always a popular job, nor is it an easy task. It's a very interesting job of details and deadlines. Her knowledge and 10 years of experience is invaluable. I know Liz is committed to the task and she serves with integrity and compassion. She is honest, trustworthy, and believes that all of us should be treated equally, fairly and with respect. She abides by the code of Virginia and the laws that govern her office, our county, our state and our nation.

I worked in the commissioner's office for more than 22 years and worked for the reassessment office for the 2 years prior(real estate reassessment effective January 1, 1988). I worked for Commissioners of the Revenue Ed Bagley, Jane Bruce and Pat Adams. I worked with Liz Hamlett as a co-worker and for her as her employee. Because of my work experience in the commissioner's office, I have complete confidence in her ability and absolutely no doubt that she is the best choice to serve us, the citizens of Lunenburg county.

RE-ELECT LIZ Y HAMLETT FOR LUNENBURG COUNTY COMMISSIONER OF THE REVENUE.

Elizabeth Callis Williams (Betty)
